# PURE DESIGN

**Viefe** handles®

AT VIEFE® WE BELIEVE IN DESIGN. PROFOUNDLY. WE UNDERSTAND IT AS THE ONLY WAY TO ACHIEVE THE FACT THAT OUR KNOBS AND HANDLES ARE DIFFERENT WITH THEIR OWN PERSONALITY AND DESIGN.

*That's why in our new catalogue we have opted, more than ever before, to turn design into our strongest point. It's through this that we project our way of understanding the world of decoration, quality and details.*

*Teamwork between our internal and external designers at Viefe® has enabled us to create new products for current interior fashions without them losing any of their character. When fitted in kitchens and bathrooms and on furniture in general, the knobs and handles from the new collections contribute to improving the aesthetics of these spaces and in doing so make them more pleasant and comfortable.*

*As manufacturers, one thing we are clear about is that our products have to be easy to fit into their eventual surroundings. That's why each season we bring about technical improvements so as to simplify the fitting procedure. We also aim to offer the most optimal textures, tones, measurements and finishing to interior designers and decorators so they can do their work much more comfortably.*

*We are everything that you will see on these pages. We are design.*

EN VIEFE® CREEMOS EN EL DISEÑO. PROFUNDAMENTE. LO ENTENDEMOS COMO EL ÚNICO CAMINO PARA CONSEGUIR QUE NUESTROS POMOS Y TIRADORES SEAN DIFERENTES Y TENGAN PERSONALIDAD PROPIA.

*Por eso en este catálogo 2015 hemos apostado, más que nunca, por convertir el diseño en nuestra constante. A través de él proyectamos nuestra forma de entender la decoración, la calidad y los detalles.*

*El trabajo del equipo de diseñadores internos y externos de Viefe® nos ha permitido crear nuevos productos que se adaptan a las tendencias de interiorismo sin perder carácter. Aplicados en cocinas, baños y muebles en general, los pomos y tiradores de las nuevas colecciones contribuyen a mejorar la estética de los espacios y hacen que su uso sea cómodo y agradable.*

*Como fabricantes tenemos claro que nuestros productos deben ser fáciles de aplicar en sus entornos finales, por eso cada temporada aportamos mejoras técnicas que simplifican su instalación. También apostamos por ofrecer a interioristas y decoradores las posibilidades más óptimas en texturas, tonalidades, tamaños y acabados para que puedan trabajar cómodamente.*

*Somos todo lo que verás en estas páginas. Somos diseño.*

# MAGIC AIR BALLOONS

*One windy day a naughty little boy and girl started to play with a magic balloon. Suddenly the magic balloon started to get bigger and bigger.*

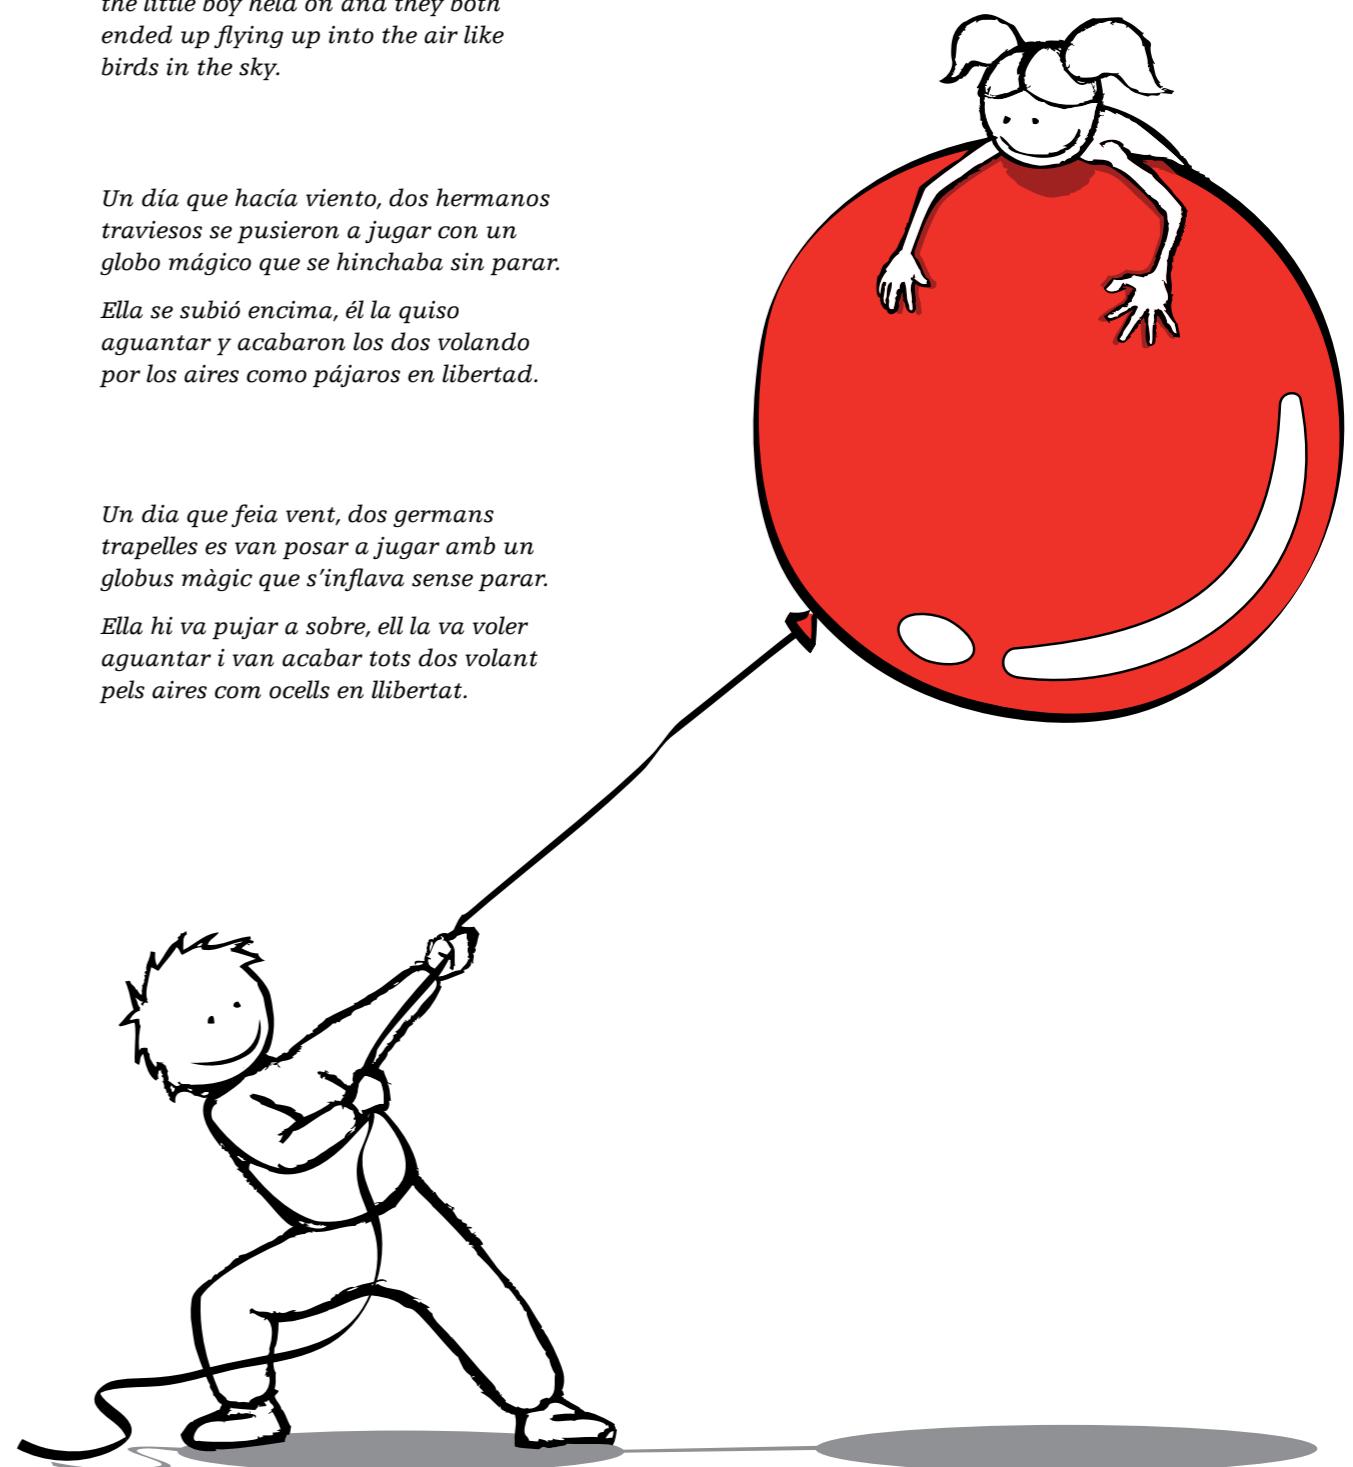

*The little girl climbed on top of it while the little boy held on and they both ended up flying up into the air like birds in the sky.*

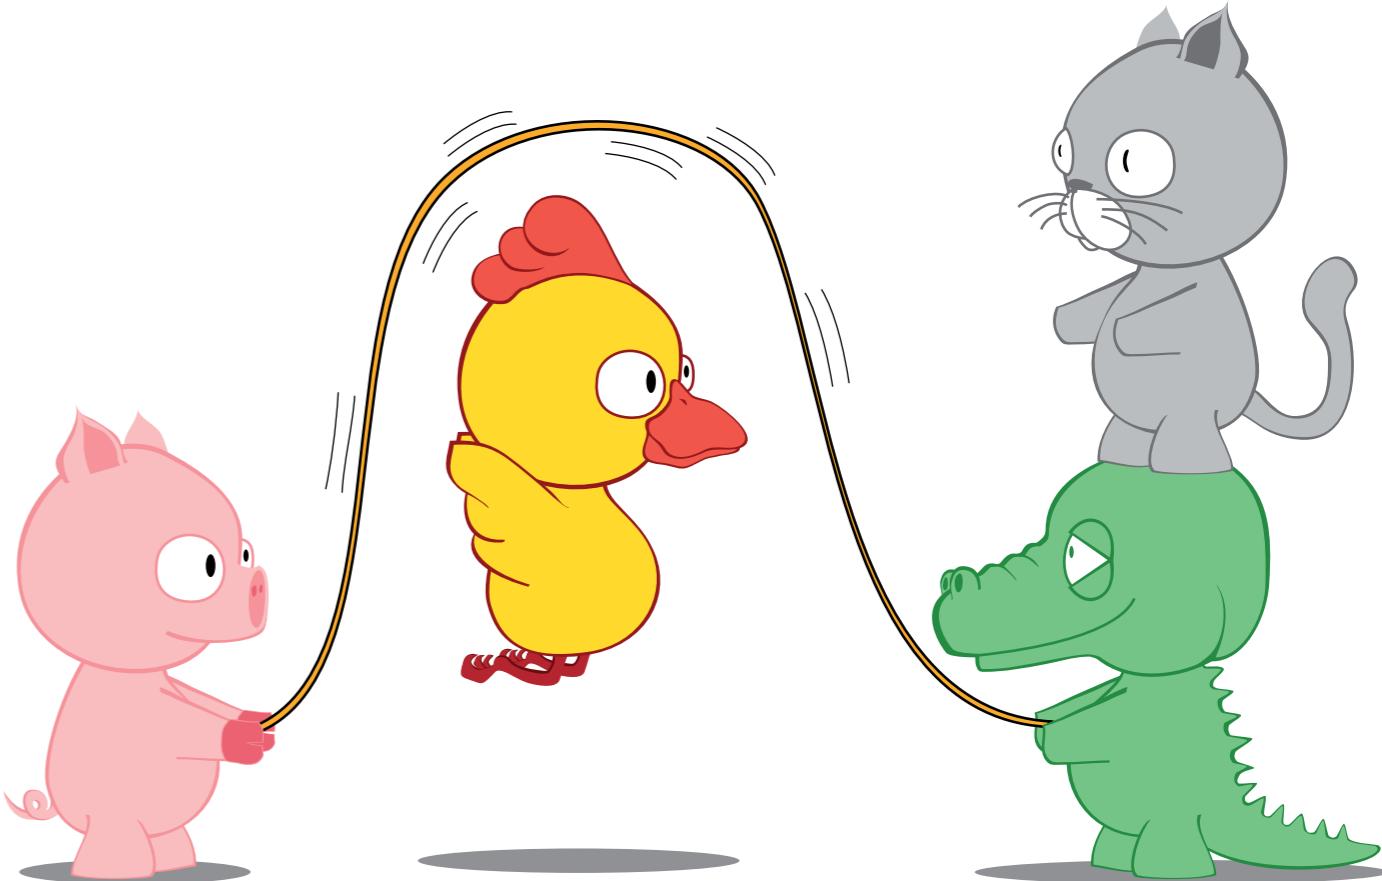

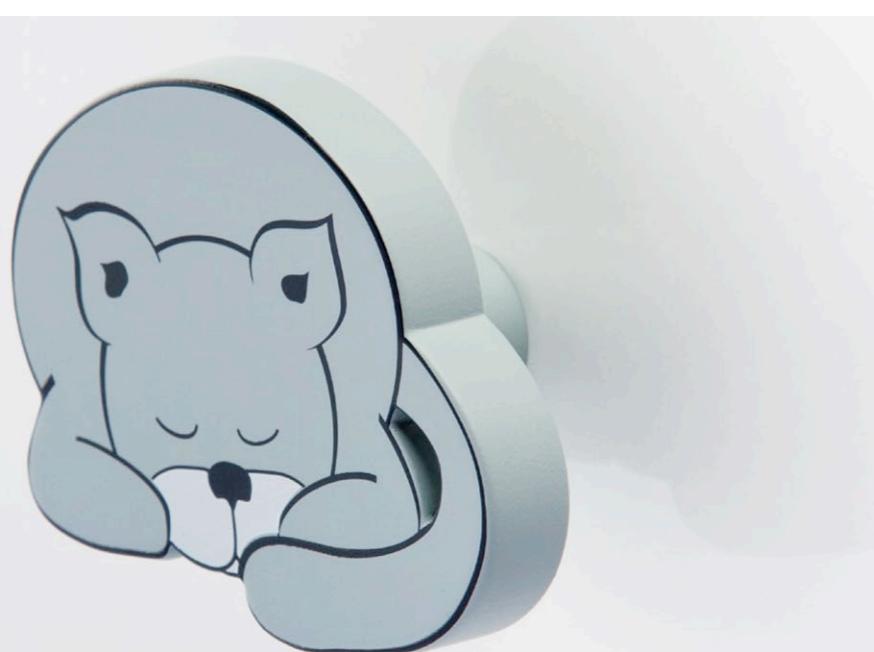

*Un día que hacia viento, dos hermanos traviesos se pusieron a jugar con un globo mágico que se hinchaba sin parar.*

*Ella se subió encima, él la quiso aguantar y acabaron los dos volando por los aires como pájaros en libertad.*

*Un dia que feia vent, dos germans trapelles es van posar a jugar amb un globus màgic que s'inflava sense parar.*

*Ella hi va pujar a sobre, ell la va voler aguantar i van acabar tots dos volant pels aires com ocells en llibertat.*

## ANIMAL DREAMS

*When animals skip they forget about everything else. They laugh, jump and sing.*

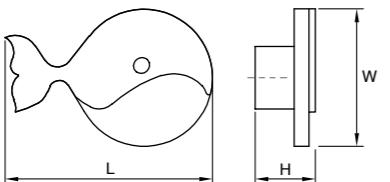

*They have so much fun that at night, once in bed asleep, they invent new games in their dreams which they'll continue playing the next day once they've woken up.*

*Cuando los animales saltan a la comba se olvidan de todo lo demás. Ríen, saltan, cantan...*

*Se divierten tanto que por la noche, a la hora de descansar, en sus sueños inventan nuevos juegos con los que seguirán disfrutando al despertar.*

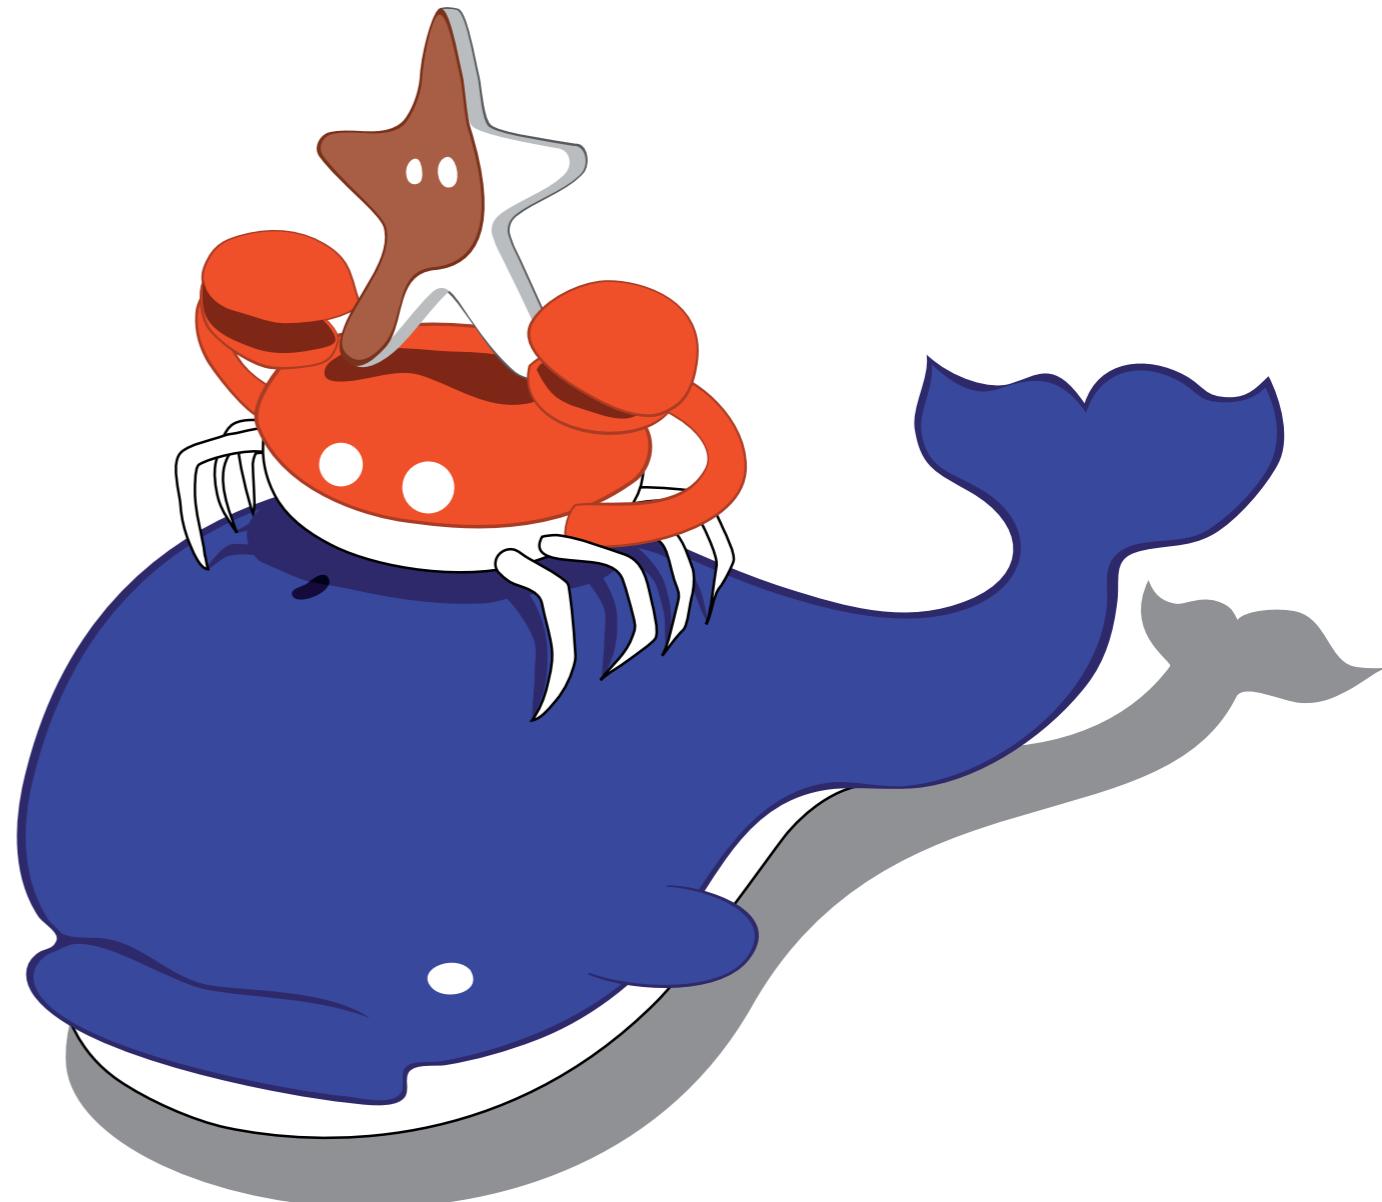

*Quan els animals salten a corda s'obliden de tota la resta. Riuen, salten, canten...*

*Es diverteixen tant que a la nit, a l'hora de descansar, en els seus somnis inventen nous jocs amb els quals seguiran gaudint al despertar.*

## THE EXPLORERS

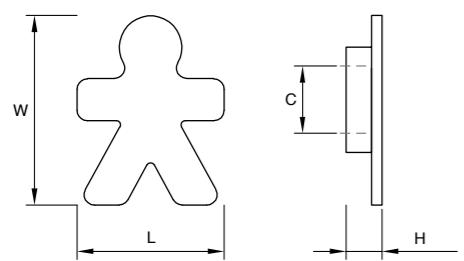

The whale and the crab and the starfish wanted to find out what was hidden beyond the waves. They set off on a journey and travelled across the sandy beach over the mountains through the forest and to far off places. On the way they made so many friends that they never wanted to come back.

La ballena, el cangrejo y la estrella querían explorar qué había más allá de las olas del mar. Juntos empezaron una aventura que los llevó a viajar por la arena de la playa, entre montañas, sobre los bosques y más allá. Y por el camino hicieron tantos amigos que ya no quisieron regresar.

La balena, el cranc i l'estrella de mar volien explorar què hi havia més enllà de les ones del mar. Junts van començar una aventura que els va portar a viatjar per la sorra de la platja, entre muntanyes, sobre boscos i més enllà. I pel camí van fer tants amics que ja no van voler tornar.
