RAUVOLET BRILLIANT-LINE

The product range

RAUVOLET brilliant-line is the harmonic extension to the RAUVISIO brilliant fronts range. For visual balance between furniture pieces, the colours have been perfectly coordinated with one another, allowing for seamless integration.

With the four high-gloss colours white, antique white, cream and moro, REHAU offers you an exclusive roller shutter solution that can be integrated into many kitchen designs. For a practical storage space solution without compromising on aesthetic finish or design. RAUVOLET brilliant-line is the ideal choice to fit in with your existing cabinet or stand out as a feature.

The pre-assembled set is easy to install, with a well balanced mechanism, resulting in an easy to use cabinet.
